LOCATION : Singapore

CSRWorks International

International Integrated Reporting Council's (IIRC)

Training Foundation Partner

www.csrworks.com

<IR> Training Course – Introductory Level

The IIRC approved **Integrated Reporting<IR> Training Course - Introductory Level** is designed for individuals who need to understand the benefits Integrated Reporting can bring to an organisation, but who may not be directly involved in the preparation of the integrated report.

Learning Outcomes

Upon successfully completing the Introductory Level Training, participants will be able to:

- Present the business case for the introduction of Integrated Reporting, including integrated thinking, to an organization.
- Explain the fundamental concepts of value creation, the capitals, and the value creation process.
- Describe the requirements of the International Framework.
- Describe the factors which contribute to successful implementation of Integrated Reporting, including integrated thinking, within an organisation.

Who Should Attend

The Introductory Level Training Course is most suitable for decision makers in an organisation. This Course is ideal for:

Chief Sustainability Officers, Chief Financial Officers, Company Directors, Company Secretaries, Head of Investors Relations, Internal Auditors, HR Directors, EHS Directors, senior management executives who are part of a company's high-level sustainability management council, Heads of Corporate Communications, and Senior Executives responsible for preparing annual reports/sustainability reports/integrated reports.

Training Certificate

Participants will receive their training certificate directly from the International Integrated Reporting Council (IIRC) upon successful completion of the course.

<IR> Training Course – Practitioner Level*

The IIRC approved **Integrated Reporting<IR> Training Course - Practitioner Level** is designed to provide participants with the knowledge and tools required to prepare and implement Integrated Reporting in an organisation.

**Pre-requisite: Participants must have completed the Introductory Level course.*

Learning Outcomes

Upon successfully completing the Practitioner Level Training, participants will be able to:

- Demonstrate the Introductory level learning outcomes.
- Apply the fundamental concepts of value creation, the capitals and the value creation process to an organization.
- Participate effectively as part of a team preparing an integrated report.
- Participate effectively as part of a team planning and coordinating the implementation of Integrated Reporting, including integrated thinking, within an organization.

Who Should Attend

The Practitioner level Training is most suitable for individuals who are directly involved in Integrated Reporting including the preparation of integrated reports. Target audience includes the following:

Sustainability Managers and Corporate Communications Managers tasked with the preparation of sustainability / annual / integrated reports, Finance Managers, Internal Auditors, EHS Managers, HR Managers, company executives who are part of a company's sustainability reporting project team, and reporting consultants.

Training Certificate

Participants will receive their training certificate directly from the International Integrated Reporting Council (IIRC) upon successful completion of the course.
