<IR> TRAINING COURSE – Practitioner Level*

The IIRC approved **Integrated Reporting <IR> Training Course - Practitioner Level** is designed to provide participants with the knowledge and tools required to prepare and implement Integrated Reporting in an organisation.

**Pre-requisite: Participants must have completed the Introductory Level course or meet the pre-qualification requirement*

LEARNING OUTCOMES

Upon successfully completing the Practitioner Level Training, participants will be able to:

- Demonstrate the Introductory level learning outcomes.
- Apply the fundamental concepts of value creation, the capitals and the value creation process to an organization.
- Participate effectively as part of a team preparing an integrated report.
- Participate effectively as part of a team planning and coordinating the implementation of Integrated Reporting, including integrated thinking, within an organization.

WHO SHOULD ATTEND

The Practitioner level Training is most suitable for individuals who are directly involved in Integrated Reporting including the preparation of integrated reports.

Target audience includes the following:

Sustainability Managers and Corporate Communications Managers tasked with the preparation of sustainability / annual / integrated reports, Finance Managers, Internal Auditors, EHS Managers, HR Managers, company executives who are part of a company's sustainability reporting project team, and reporting consultants.

TRAINING CERTIFICATE

Participants will receive their training certificate directly from the International Integrated Reporting Council (IIRC) upon successful completion of the course.
